## Council President Sterling Hosts Inaugural Assembly at West Fresno Schools

In partnership with Comcast, Council President Cynthia Sterling will be hosting a Presidential Inauguration Assembly at West Fresno Schools. Fifth through eighth graders will have the opportunity to view the historic inauguration of President-Elect Barack Obama.

Comcast has donated its services, providing a live feed which will be projected onto a large city-owned screen rented from PARCS by the Council President. The students will view the Presidential Inauguration during the special assembly as part of a lesson in history.

Comcast will also make the inaugural address available, for free, following the ceremony via its ON DEMAND platform. Comcast Digital Cable customers who are unable to watch the ceremony live or who would like to see it again, can tune in to Channel 1 or press the ON DEMAND button on their remote control and then click on the "Top Picks" section.

For additional information regarding the Presidential Inauguration Assembly please contact Kahliah Laney at (559) 621-7834, on her cell at (530) 574-0194, or via email at [District3@fresno.gov](mailto:District3@fresno.gov)

Media wishing to cover the event live from the school campus should check into the West Fresno School District Office upon entering the school grounds located at 2888 S. Ivy Ave.
